Dear Sirs:

I wish to bring to your attention trademark infringement and acts of unfair competition being practiced by Moton against Pall Corporation. Pall Corporation recently learned that your

company is using the Pall Logo  and Pall Corporation house mark PALL on your website: www.filtry.org.pl. In addition, the Ofcerna Specjalna tab of your website has a link to the Pall website.

The use of the Pall Logo and Pall house mark are infringements of Pall's[™] registered and common law trademark rights, may result in a likelihood of confusion, and may damage the value and goodwill of these marks. In addition, the references to Pall Corporation on your site and the link to the Pall website are not authorized by Pall, may be misleading to Pall's existing and potential customers, and may be damaging Pall's future business opportunities.

Accordingly, Pall demands that you cease and desist your use of the Pall house mark and Pall Logo trademarks on your website at once. Pall also demands that you remove the link to the Pall website immediately.

Please notify me of the corrective action you have taken to resolve this matter, and reply to me no later than June 1, 2010.

Very truly yours,

Michael
